This page is a plain summary; the license itself governs.

You may

Use the toolkit in your own coaching, mentoring and teaching, at any number of schools, including in salaried or contracted work. Print, copy and edit the forms and handouts. Share the toolkit with colleagues, coaches and teams, and with the teachers you support. Adapt and remix it for your own setting.

Please

Credit “Pole Mountain Learning, polemountainlearning.com”. Say if you changed something. Share your adaptations under the same license.

You may not

Sell the toolkit or your adaptations, or use them for commercial purposes. If you are unsure whether a use is commercial, ask first at hello@polemountainlearning.com.

Student-facing pages

The student-facing pages F05, Q05 and CF05 may be printed or delivered securely to students and teachers, including after a coaching cycle ends.

Privacy, earlier files and questions

Completed forms and student information

Keep completed records secure. Share them only with the relevant teacher and authorized school staff, for the agreed purpose, and under local privacy and reporting requirements. Use secure local codes, not student names. All case names, student work, dates and results in this toolkit are fictional.

Professional judgment and local requirements

These tools support professional conversations. They do not replace your school's policies or your professional judgment.

Earlier versions

Files bought or downloaded earlier keep every right they were given. This license replaces the older terms of use for these files.
